

Bowerman Track Club Summer Running Camp Camp Counselor Application

Dear Camp Counselor Applicant,

Thank you for taking the time to fill out one of our applications to be a counselor at our Bowerman Track Club Summer Running Camp! We take this process very seriously and are searching for the best to lead our campers.

A few points for you to keep in mind while filling out your application.

1. Please fill out this form in Microsoft Word or scan using Adobe. When you have completed your application email them back to camp@bowermantc.com
2. Timeline: Camp will run for two weeks from July 8th-13th and July 15th-20th. We expect counselors to be in Bend, Oregon no later than Saturday, July 6th. You will have the option of arriving as early as July 4th. It will be a great opportunity for everyone to get to know each other and for us to tackle all the set up and logistical preparation for camp.
3. We will be aiming to send out final notifications of our selections by June 6th. We will fill positions as we receive the bulk of applications and find qualified candidates, so please get these back to us as early as you can. You will be notified of your selection pending your application and a background check. You will hear from us whether you are chosen or not, so if you have not heard anything, you are still being considered.
4. Make sure to set yourself apart in your applications! Our camp goes beyond being a fast runner. We're looking for counselors with special skills (photographer, videography, biomechanics students, etc.) Creativity and originality are encouraged.
5. The selection process is based on this:
 - a. First priority goes to applicants who are able to work both weeks of camp and have experience working a running camp as a counselor or camper and have completed at least two years of college.
 - b. Second priority to applicants who might be post-collegiate athletes or collegiate athletes who have completed one year of college.

Again, thanks for taking the time to apply to be a BTC camp counselor. Your leadership and hard work will be what makes camp such a great experience for our campers.
